

BANTEX™

POWER

**AUTOMOTIVE &
INDUSTRIAL OIL**

**AUTOMOTIVE LUBRICANTS | INDUSTRIAL OIL
GREASES | RADIATOR COOLANT**

INTRODUCTION

BANTEX LUBE IN CO. is an ISO 9001:2015 Certified Company, Specialize in Manufacturing and Marketing of Industrial & Automotive Lubricants, process oil and greases under the brand name of **BANTEX POWER**. The company is situated in office Mumbai and is currently operating in over 12 States in INDIA. For the day to day change in need of lubrications we offer wide range of premium quality, next generation lubricating solutions for all Domestic, Commercial, Agricultural and Industrial needs. All our products manufactured strictly meets the global standards. The company was founded in 2015.

OUR PRODUCTS

BANTEX TURBO PLATINUM 15W40 CI4 PLUS

Heavy Duty Engine Oil

BANTEX Turbo Platinum is a premium performance heavy-duty diesel engine oil specially developed for use in ultra-low emission engines meeting the latest US and European emission standards. This oil addresses the unique needs of the latest engines and enhances the life of exhaust after-treatment devices. Latest high-performance low emission heavy-duty diesel engines including those equipped with DEF and Exhaust Gas.

Available Packed Size : 210 Ltrs, 50 Ltrs, 55 Ltrs, 26 Ltrs, 20 Ltrs, 15 Ltrs, 11 Ltrs, 7.5Ltrs, 5 Ltrs, 3.5Ltrs, 3 Ltrs, 1Ltr

BANTEX TURBO SUPER 15W40 CH-4

Diesel Engine Oil

BANTEX Turbo Super 15W40 CH-4 is a high-quality multigrade engine oil, meeting API CH-4 performance requirements, formulated from selected high-quality group III base oils and additives, to suit diesel engines, operating under severe duty conditions.

Recommended for commercial road transport and off-highway vehicle applications. Power shift transmissions and mobile hydraulic systems. New generation automotive vehicles.

Available Packed Size : 210 Ltrs, 50 Ltrs, 55 Ltrs, 20 Ltrs, 7.5 Ltrs, 5 Ltrs, 3.5 Ltrs, 3 Ltrs, 1 Ltr, 500 ml

BANTEX AIRLUBE

Compressor Oil

BANTEX AIRLUBE is specifically designed for optimum lubrication of pneumatically operated equipment. This light viscosity fluid that can be readily aerosolized into a compressed air stream, contains a special emulsifier so it can absorb water up to 10% by weight. This serves to encapsulate any condensate and carry it out to exhaust, thus preventing it from contributing to the creation of sludge or gummy build-ups.

Available Packed Size : 210 Ltrs, 50 Ltrs, 20 Ltrs, 5 Ltrs, 1Ltr

BANTEX DEF AD BLUE

Diesel Exhaust Oil

BANTEX DEF Ad Blue is essential for the correct operation of an advanced pollution control technology installed in the exhaust system called Selective Catalytic Reduction (SCR). BANTEX DEF is suitable for all Bharat Stage 4 and Bharat Stage 6 engines fitted with SCR systems.

Available Packed Size : 210 Ltrs, 50 Ltrs, 20 Ltrs, 5 Ltrs, 1Ltr

BANTEX MNC EXCELLENT 20W50

Passenger Car Oil for Engines

BANTEX MNC EXCELLENT 20W50 is a high-viscosity oil designed for gasoline engines. It is formulated from high-quality virgin base oils and a number of additives, carefully selected for engine protection and performance. Provides high protection from oxidation. Ensures engine protection in high-temperature environments.

Recommended for new generation gasoline engines in high performance of leading global manufacturers operating in a wide range of ambient temperatures i.e. Recommended for use in passenger cars, light trucks, and vans with naturally aspirated gasoline engines or light-duty diesel engines, where API SL quality oil is required it is suitable for year-round use under wide temperature conditions and ensures trouble-free operation.

Available Packed size : 210 Ltrs, 55 Ltrs, 50 Ltrs, 20 Ltrs, 5 Ltrs, 4 Ltrs, 3.5 Ltrs, 3 Ltrs, 1 Ltr, 500 ml

BANTEX SUPER SYNTH 1000 / 5W30

High-Performance Passenger Car Oil

BANTEX Super Synth 1000 / 5W30 is a cost-effective Semi-Synthetic lubricant that contains a balanced combination of modern performance additives like antioxidants. VI improvers, Anti-wear, Extreme Pressure additives & low pour point provides optimum viscosity & fluidity across a wide range of temperature.

Recommended for modern-day high-performance cars running on Petrol/ Diesel/ CNG like Tata Motors, Hyundai Motors, Maruti, Datsun, Toyota, Mahindra, Ford, Honda, Nissan etc.

Available Packed size : 210 Ltrs, 55 Ltrs, 50 Ltrs, 20 Ltrs, 7.5 Ltrs, 5 Ltrs, 4 Ltrs, 3.5 Ltrs, 3 Ltrs, 1 Ltr, 500 ml

BANTEX 7000 5W40 & 9000 5W30 FULLY SYNTHETIC

High-Performance Passenger Car Oil

BANTEX 7000 5W40 & 9000 5W30 Fully Synthetic is the perfect choice for drivers looking for universal motor oil to increase engine life while ensuring good engine cleanliness and long-term wear protection of engine parts (distribution, ring, plunger, and liner). This car oil is a synthetic based engine oil for petrol and diesel engines not equipped with diesel particulate filters. It can be used with various operating conditions (city traffic, road, motorways), and for all seasons. Total Energies, through constant innovation and with a commitment to sustainable development, has been pioneering the world of engine oils to deliver better performance thanks to a large range of products that protect engines and improve fuel efficiency.

Available Packed size : 210 Ltrs, 50 Ltrs, 20 Ltrs, 5 Ltrs, 4 Ltrs, 3.5 Ltrs, 1 Ltr

BANTEX ATF / DEXRON VI

High Performance Automotive Transmission Fluid

BANTEXATF / Dexron VI is premium quality transmission oil having a low coefficient of friction to meet General Motors Type A specifications. This is blended with highly refined base oils and doped with selected additives which improves the life of transmission and steering system.

Recommended for lubrication of synchromesh gears and automatic power steering units of automobiles and LCVs Automatic transmissions of cars & trucks.

Available Packed size : 210 Ltrs, 50 Ltrs, 20 Ltrs, 5 Ltrs, 1 Ltr, 500 ml

BANTEX RADIATOR COOLANT

Redicool 1:7, Super Cool 1:3, Cool Plus 1:2

BANTEX Radiator Coolant is a nonpetroleum base engine coolant formulated from ethylene glycol and special inhibitors, free from nitrate borates, silicates, phosphates, and amines. It is used in all types of automotive vehicles/industrial engines and radiators for protection against corrosion/deposits and to ensure efficient heat transfer. Recommended in all kinds of petrol/diesel engine-driven passenger cars, jeeps, vans, commercial vehicles, and stationary engines operating with water as a cooling medium.

Available Packed size : 210 Ltrs, 50 Ltrs, 20 Ltrs, 5 Ltrs, 1 Ltr, 500 ml

BANTEX GEAR OIL SERIES

*EP 90 / EP 140 / EP 80W90 / EP 85W140 /
EP 75W90 / EP 150 / EP 220 / EP 320 / EP 460*

BANTEX Gear Oil Series are high gear lubricant oil designed to provide effective lubrication in a wide range of automotive transmissions and axle drives where Ep type GL-4 & GL-5 quality oils are specified. It is formulated from high quality base stocks and balanced extreme pressure additives to provide protection to gear components against wear and scoring. It offers protection against oxidation degradation and rust & corrosion.

- Manual transmissions and trans axles requiring oils meeting API GL-4 & GL-5
- On road passenger cars, light and heavy duty trucks buses and vans.
- Off -highway equipment in construction, mining and agriculture.

Available Packed size : 210 Ltrs, 50 Ltrs, 26 Ltrs, 20 Ltrs, 10 Ltrs, 5 Ltrs, 1 Ltr, 500 ml

BANTEX HYDRO SERIES 68 / 46 / 32

High Performance Anti-Wear Hydraulic Oil

BANTEX AW & HLP Hydraulic Oil series are high performance anti-wear hydraulic oils developed for high pressure hydraulic systems operating under moderate to severe conditions in mobile and industrial service. These oils are formulated with high quality base oils and carefully selected performance additives to provide excellent protection against oxidation degradation, rust & corrosion and wear.

Recommended for hydraulic systems employing gear, bearings vane radial and axial piston pumps, chain drivers, compressors, vacuum pumps, mining machinery machine tools, circulation oiling system etc. where anti-wear type hydraulic oils are recommended.

Available Packed size : 210 Ltrs, 50 Ltrs, 26 Ltrs, 20 Ltrs, 5 Ltrs, 1 Ltrs

BANTEX SQUARE CUT, SOLUBLE CUT, STRAIGHT CUT

High Performance Cutting Oil

BANTEX Square Cut, Soluble Cut, Straight Cut oils are specially compounded emulsifying cutting oil composed of petroleum oil and special emulsifiers. It mixes readily with hot or cold water. It forms homogenous and exceptionally stable emulsions, which show no apparent separation after long period of user or storage. It also incorporates special biocides to increase coolant life and prevent unpleasant odors experienced as a result of bacterial infection. Meet the specification requirements of IS1115-1986 and DEFSTAN 91-23/1 (Grade ZX-1).

Available Packed size : 210 Ltrs, 50 Ltrs, 20 Ltrs, 1 ltrs, 500 ml

BANTEX AUTOMOTIVE & INDUSTRIAL GREASES

Long life Gel, Lithium Ap3, Calcium Gel, EP-0, EP-00, EP-000, EP-1, EP-2, HT, HTXF

BANTEX Industrial greases are lithium based products containing highly-refined mineral oils and fortified with extreme pressure (EP) additives as well as corrosion and oxidation inhibitors. These greases have been formulated with additives that provide goof film strength under medium to high loads.

Recommended for lubrication of all plain and anti-friction bearings, heavy duty ball and roller bearings of industrial equipment used in steel plants, heavy engineering units, machine tool units, textile mills, paper mills, fertilizer plants, sugar mills etc. particularly where contacting surfaces are exposed to very heavy pressure and shock loads and for continuous service upto 130°C

Available Packed size : 180 kg, 50 kg, 18 kg, 10 kg, 5 kg, 3 kg, 2 kg, 1 kg, 500gm, 200gm, 100gm

BANTEX AUTOPOWER & CNG EXCELLENT 20W50

Special for CNG Vehicles

BANTEX Autopower & CNG Excellent is a premium quality engine oil developed for passenger cars and taxis running on CNG/LPG. It has been multi-graded to 20W50 viscometrics to facilitate easy starting even at lower ambient high temperature combustion due to CNG/LPG fuels in engine.

Recommended for all cars, taxi, 3 wheelers and commercial vehicles running on CNG/LPG. Suitable for vehicles/engines running on Petrol/Diesel.

Available Packed size : 210 Ltrs, 50 Ltrs, 20 Ltrs, 3 Ltrs, 1 Ltr, 500 ml

BANTEX MULTI SUPER & LAAL CHETAK 20W40 CF/MG

Tractor Engine Oil

BANTEX Multi Super & Laal Chetak is a high-quality multigrade engine oil meeting API CF-4 MB 228.1 performance requirements, formulated from selected high-quality group II base oils and additives, to suit petrol and diesel engines, operating under severe duty conditions.

Commercial road transport and off-highway vehicle applications. Power shift transmission and mobile hydraulic system. New generation automotive vehicles.

Available Packed size : 210 Ltrs, 50 Ltrs, 20 Ltrs, 7.5 Ltrs, 5 Ltrs, 3.5 Ltrs, 1 Ltr, 500 ml

BANTEX 2T SYNTH

Durable Protection

BANTEX 2T Synth is a modern 2-stroke oil designed to give an all-around performance in most 2-stroke motorcycles and other small engine applications. Its low ash formula will help to protect against pre-ignition and provide good engine lubrication and cleanliness to maintain good compression and reliable engine start ability throughout its life.

BanTex 2T Start is suitable for use in most 2-stroke motorcycle and scooter engines which require good quality engine oil. 2-stroke air-cooled gasoline engines used in scooters, motorcycles, mopeds, three-wheelers, etc. and small equipment such as sprayers, pumps, generators, agro implements like pesticide blowers, tillers, chainsaws, etc.

Available Packed size : 210 Ltrs, 50 Ltrs, 20 Ltrs, 1 Ltr, 500 ml, 60 ml, 40 ml

BANTEX RACER SYNTH 20W50/15W50/10W40/10W30/5W30

High Performance for Four-Stroke Motorcycle Engine Oil

BANTEX Racer Synth Series are 4-stroke engine oil developed specifically to meet the special requirements of the latest high-performance air-cooled 4-stroke motorcycles. It is blended from premium quality base stocks and advanced additive technology to exceed the most demanding lubrication requirements of modern 4-stroke motorcycles. Recommended for advanced 4-stroke gasoline engines in high-performance motorcycles of leading global manufacturers operating in a wide range of ambient temperatures i.e. Honda, Hero Honda, Bajaj, TVS, Yamaha, Suzuki, Royal Enfield, Triumph.

Available Packed size : 210 Ltrs, 50 Ltrs, 20 Ltrs, 2.5 Ltrs, 1 Ltr, 800 ml, 600 ml

BANTEX FASTRACK 4T SYNTHETIC 20W50/20W40/10W30

High Performance for Four-Stroke Motorcycle Engine Oil

BANTEX Fastrack 4T series are premium quality 4-stroke gasoline engine oils developed specifically to meet the requirements of the latest high-performance air-cooled 4-stroke bike engines. These oils are blended from superior-quality base oils and specially selected performance additives. It is formulated with Protective Synthetic Chemistry, to provide total protection to Engine components, Clutch and Gearbox.

Recommended for new generation 4-stroke gasoline engines in high-performance motorcycles of leading global manufacturers operating in a wide range of ambient temperatures i.e. Honda, Hero Honda, Bajaj, TVS, Yamaha, Suzuki, LML, Kinetic etc. & 3 wheelers also.

Available Packed size : 210 Ltrs, 50 Ltrs, 20 Ltrs, 1.2 Ltrs, 1 Ltr, 900 ml, 800 ml

BANTEX CHAIN LUBE & CHAIN CLEAN

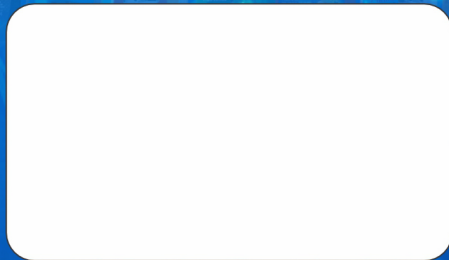

High Performance Automotive Fluid

BANTEX Chain Lube & Chain Clean for all Bikes - Ensuring Smooth Rides and a Great Performance! Besides changing engine oil, lubricating and cleaning the chain form one of the first forays into smooth riding. With the chain lube by Bantex, the task gets all the more easier. It comes in a container that lasts quite long and provides great lubrication to the motorbike chain. This thereby reduces the stress on the engine and ensures a smooth experience on the road. Besides, using chain lube also increases the lifetime of the gear chain.

Available Packed size : 400 ml, 150 ml, 100 ml

BANTEX™ POWER
